

CENTURY IVORY ARMCHAIR

DESCRIPTION

This chic barrel armchair designed by Giannella Ventura is a true work of art that will add character and sophistication to any interior. Upholstered in soft ivory leather, the intricate pleated details of the backrest result from a precise and intensive work carried out entirely by hand: 114 strips of fine leather are sewn together by expert artisans to give shape to the embracing silhouette. Founded atop a gold-finished metal platform base, this armchair is truly breathtaking.
