

CLASS GREY DINING ARMCHAIR

DESCRIPTION

Elegant and stately, this armchair makes a glamorous addition to a living room, especially when paired with the arm-less version, or private study. The sophisticated velvet upholstery is in a versatile dove-gray color and covers the entire frame, including the legs that are embellished with golden ferrules. The wide back and set-back armrests are slightly detached from the seat to give dynamism to the silhouette. The Class Collection of chairs is designed by Giannella Ventura and available in other colors.
