

## CLASS 2 DOOR TALL CABINET

### DESCRIPTION

Best displayed with the Class Sideboard for a cohesive and glamorous look, this tall cabinet showcases a linear silhouette of glossy white-lacquered wood with two large doors raised on a plinth base. The door panels are covered in ivory nubuck leather with gilded outlines, a shimmering detail that mirrors the large band around the base. Two large gilded medallions with a delicate hand-engraved peacock decorate the center of each door, marked by a band with an exclusive printed pattern.
