

DOLCEVITA DINING TABLE

DESCRIPTION

This is a real MASTERPIECE. A dining table designed by Alessandro Massari. The pedestal take inspirations from tulip flower with gold leaf decoration. For each pedestal four curved legs extend from a round base adorned with gold-colored edges, adding movement and elegance to this superb table. Barrel shape top with a silver leaf scalloped line. The top finely inlaid with a unique floral motif. Made with Canaletto walnut, myrtle burl, Indian and Brazilian rosewood, exotic dyed woods and mother of pearl shows the production capacity of our company.
