

DORADO MOCHA SOFA

DESCRIPTION

The Dorado series designed by Giannella Ventura distills the concept of high-end sofas and armchairs to a simple cylinder and rectangle (or square) to create an elegant silhouette with Art Deco flair. Pictured here in a deep hue of mocha brown, the velvet upholstery is in perfect chromatic harmony with the gold finish of the metal pedestal base and rings outlining the armrests' ends. Contact the Concierge for other available colors. Decorative pillows are not included.
