

JUMBO / JUMBO OPEN ARMCHAIR

DESCRIPTION

Armchair designed by Massari is inspired by the lines of yachting underlined by elements in glossy nickel and a glossy black finish. The front legs are fitted with a polished nickel finish sabot. The JUMBO low armchair with armrests open or covered with fabric is a design object and is completely adaptable. It can be integrated into a living area but can also be used alone. With a wide, thick and extremely comfortable seat, the JUMBO low armchair with armrests will be able to meet your needs in terms of comfort.
