

## SADAR SIDE TABLE

### DESCRIPTION

Handcrafted from glossy ebony wood this sophisticated side table brings a modern and glamorous feel to any space. The ebony has a glossy finish that highlights its superb grain and the cut corners on round of the top are accented with nickel details. The mirror top is made with the unique 'GIVRE' technique to obtain time by time different variations. The handcrafted nature of this product may result in subtle color variations, adding to its unique quality. Design by Alessandro Massari.
