

SANTOS COFFEE TABLE

DESCRIPTION

This is a real MASTERPIECE. A coffee table table designed by Alessandro Massari. The pedestal take inspirations from tulip flower with gold leaf decoration. From pedestal four curved legs extend from a round base adorned with gold-colored edges, adding movement and elegance to this superb table. A central ball in tiger onix with four golden metal arms sustain the round shape top with a silver leaf scalloped line. The top is completed with an extraclear glass completely handmade engraved with a unique floral motif. Made with solid and veneered Canaletto walnut, shows the production capacity of our company.
