

## VEGAS POUF

### DESCRIPTION

This elegant pouf can easily find its spot anywhere in the home, either in an entrance, with a twin in the living room, or as an accent seat in a bedroom. Soft, beige-hued nubuck leather covers the round profile, accented with tufting around the side and top for a sophisticated look suiting traditional and modern interior decors. The pouf is raised on a satin bronzed metal plinth, which is also available in polished gold finish upon request to the Concierge.
